

Carstairs Prize

2021 Guidelines, Terms and Conditions

The Carstairs Prize aims to support social engaged art projects that embrace participatory and collaborative experiences, bring participants into active dialogue with the artist(s) in order to involve audiences beyond the art community.

The prize is intended to contribute to artwork production costs to assist the successful applicant(s) to develop and present new work.

In recognition of the severe limitations in place due to physical distancing and the challenges this poses, we welcome proposals that consider the digital and virtual space as a valid and essential arena for collaborative artistic endeavour. Proposals may, but are not required to, explore collaborative arts practice in a time of pandemic and physical distancing.

This program is supported by the donor of the previous Carstairs Residency Prize. Named after the Carstairs, the prize drew its name from an intriguing and eccentric blend of writers, poets, painters, pianists, and illustrators who immigrated to Australia from Fife, Scotland in the 19th century.
