

**Travel subsidy for
Tasmanian artists**

With the support of Arts Tasmania, NAVA welcomes artists to apply for a travel bursary of \$900 to attend Future/Forward 2018.

We are looking for artists who will directly benefit from attending Future/Forward and who demonstrate an active engagement in the arts sector.

We prioritise a strong diversity of artists attending and so we strongly encourage applications from Aboriginal and Torres Strait Islander artists; regional artists; artists of Culturally and Linguistically Diverse backgrounds; people with disability.
